The Bern Interprofessional Spirit - a look back and forward

Prof. Dr. Sven Streit
Institute of Primary Health Care (BIHAM)
University of Bern

30.04.2024, 4:15 pm
Lecture hall 226, BIHAM, Mittelstrasse 43

Abstract:

The talk will start of with a presentation of the interprofessional team at BIHAM that shares the responsibilities to organize the Master of Pharmacy and who we train the next generation of interpro-minded health care professionals by highlighting some learnings of the past 4 years and an outlook into the future.

About the speaker: **Prof. Dr. Sven Streit**

Prof. Sven Streit, MD, MSc PhD, is a practicing general practitioner (GP) in a rural community (Konolfingen) and Associate Professor in Primary Care at the University of Bern. In addition to seeing patients, he shares the responsibility to organize the Master program for pharmacist and conducts research into interprofessional primary care. Prof. Streit is past-president of the Swiss Organisation of Young GPs (JHaS, www.jhas.ch) and served as chair of the European Organisation of Young GPs (VdGM,www.vdgm.eu) and chairs the committee to promote general internal medicine of SGAIM (www.sgaim.ch). Prof. Streit was promoted to medical doctor (MD) and Senior Lecturer (Privatdozent) at University of Bern, is board-certified in General Internal Medicine, and trained in epidemiology (MSc) at the London School of Hygiene and Tropical Medicine (www.lshtm.ac.uk) and at Leiden University (www.universiteitleiden.nl) in the Netherlands (PhD). He leads international collaborative research projects (he is the PI of the DROPIT and LESS study and others) and represents Switzerland in the European General Practice Research Network (EGPRN, www.egprn.org). He serves also as Co-chair of IG eMediplan (www.emediplan.ch) to further implement the use of a digital solution of a medication plan in Switzerland.
